# ATTENDANCE

Pelican Rapids School District follows the Otter Tail County-Wide School Attendance Procedure. The School Engagement Work Group of the Otter Tail Family Services Collaborative developed this attendance procedure to be incorporated into the procedures of ALL Otter Tail County schools. This team has worked together to develop this procedure because we believe it is necessary to be academically engaged in order to be successful in school.

This procedure only addresses unexcused absences. Unexcused absences are defined by Minnesota Law and specifically within each school district's individual attendance procedure.

## OTTER TAIL COUNTY ATTENDANCE PROCEDURE

1. Attendance will be taken every half-day in elementary schools and every class period in secondary schools.
2. For purposes of this procedure, unexcused absences are cumulative throughout the school year. Records regarding attendance will transfer with students who transfer between schools within Otter Tail County.
3. Every time a student is absent for any period of time, the school will notify the parents, if the parent has not called or sent a note.
4. After three unexcused absences (this can be absences over multiple days), a letter will be sent to parents at the discretion of the truancy department. The purpose of the letter will be to document the students' unexcused absences.
5. After seven unexcused absences (this can be absences over multiple days), the school will notify the County Attorney's office and the County Attorney's office will schedule a meeting between school personnel, parents, student, Human Services and County Attorney at the Otter Tail County Courthouse. Parents are required to attend a face-to-face meeting with school administrators to develop a Truancy Plan of Action, as a final attempt to compel the student to attend school. A contract will be established with the child, who is then placed under supervision to attend school.
6. If the truancy Plan developed is not followed and the child continues to have unexcused absences, the matter will be referred to Human Services for review by the County Attorney's Office for determination for what action should occur.
7. Judges have the authority to administer a variety of consequences, which can include the following:
  - i. A child may lose their driving privileges until he / she is 18 years old.
  - ii. The court can order that any necessary evaluation, treatment, and counseling service be completed by the child or family.
  - iii. A child can be removed from their home and placed in a shelter or foster care or a short-term facility.

## ATTENDANCE IS THE LAW

The state compulsory attendance provisions must be enforced through keeping daily attendance records. Minnesota State Statute requires that children attend school. For students under the age of 12, it is presumed that it is a parental responsibility to ensure the child's attendance. Federal "No Child Left Behind" legislation states that our school must have a minimum of 90% attendance rate, in order to achieve "Adequate Yearly Progress". Parents, students, and the staff of PRHS need to work together to be sure students arrive on time and attend school regularly.

## ACADEMICALLY SUCCESSFUL STUDENTS ATTEND SCHOOL REGULARLY

There is a direct link between regular attendance and academic success. At Pelican Rapids High School, we believe that attendance habits begin the first year of a school, and these habits become behavior patterns by the time students reach high school.

## **PARENT RESPONSIBILITY**

It is the responsibility of the parent / guardian to CALL OR EMAIL THE OFFICE on the day of the absence or prior to the absence explaining the absence reason. Call 218-863-5910 option 1 for PRHS. Emails can be sent to mrobles@vikes.us. Chronic absences may require a medical excuse to be acquired by the parent / guardian. If parents do not contact the school, the absence will be “unexcused” until further information is received.

## **PELICAN RAPIDS HIGH SCHOOL ATTENDANCE PROTOCOL**

- Students are required to provide a confirmation note to school from **ALL** appointments. Notes can be emailed to mrobles@vikes.us
- Students who are not in school and do not have the permission of their parent or the Pelican Rapids School District are considered unexcused absent and truant.
- Attendance will be taken every period.
- Absences are cumulative throughout the school year and records will transfer with students who transfer to other schools.
- When a student is absent, parents will be notified of the unexcused absence/truancy. Parents may check their student's attendance using SKYWARD, our student information system (SIS).
- After 3 days with 1 or more periods of unexcused absence, parents will be notified.
- After 7 days with 1 or more periods of unexcused absence, a meeting with the student and parent will be scheduled.
- If the student continues to accumulate unexcused absences, OTC Human Services and the OTC Attorney's Office will be notified.
- Any student who is absent from class more than 8 days of the scheduled days may be denied credit for that course.
  - Absences due to participation in school-sponsored activities do not count against student credits or grades. The Building Management Team (BMT) (principal, administrative assistant, counselor, and department spokespersons, will serve as a review board for those students with unusual circumstances who wish to file an appeal concerning loss of credit(s). Appeals will be based on attendance files, documents and written materials submitted by the administration, parents and student. Parents and student will have seven calendar days after being notified to submit any written material they wish to include in the appeal. The review board will issue a written decision within ten (10) calendar days after the appeal.
- Tardiness: Upon arrival at school, a tardy student must report to the main office to pick up a tardy pass for admittance to classes. If a student is late for school (Period 1) for less than 10 minutes, the absence will be counted as tardy. Tardies will be tracked and may impact attendance grade.
- In emergency situations such as serious prolonged illness or hospitalization, a hospital or homebound tutor may be arranged. Doctor verification of the need for the absence and tutor will be required.
- Every absence will be evaluated. If the principal determines that any absence(s) is unexcused, the student will receive appropriate disciplinary action.
- For unexcused absences, students will need to make up the time missed and the parent will be notified.
- Student health will be closely monitored (ie. temp and symptom checks). Parents will be notified when a student becomes ill during the day. Students will be kept in school if the parent(s)/guardian(s) cannot be reached.
- All seniors (18 or more credits) may schedule post-secondary visitations through the counselor. These visits will be counted as an acceptable day of absence from school. Visits not coordinated in advance with the counselor's office will be marked unexcused.
- School sponsored trips and activities may be denied if the student has exceeded attendance guidelines. This includes college visitation for seniors and activities sponsored by the school.

# ABSENCES

**EXCUSED ABSENCES:** These absences do not count toward loss of credit: illness (accompanied by a Doctor's note stating student should not be in school), conditions beyond control of the student (court appearances, religious holidays or religious release time) or urgent family activities or emergencies. ## GRADUATION REQUIREMENTS & GRADING

Students need to complete Minnesota graduation requirements and successfully pass state required tests by the end of grade 12 or they will not receive a diploma. Students who have an individual education plan (IEP) can qualify for modifications in testing procedures or exemption from the requirements. This decision is made by the student's IEP team. Students who choose to attend a different school elsewhere will receive their diploma from that school and participate in their graduation ceremony, and be counseled concerning these facts prior to leaving. Exceptions include students enrolled in the post-secondary options program and students with pre-approved alternative programs related to physical limitations for attendance, outside (ALC, etc.) credits must be pre-approved.

### CREDITS FOR GRADUATION

Each student shall complete at least 24 credits in grades 9 - 12 in required and elective courses. These include: High School. Students who successfully complete high school credits while in junior high (grades 7-8) will have these credits credited toward graduation. Graduation requirements will be evaluated yearly. A student's graduation requirements will not be changed once they enter grade 9. All students must attempt 6 credits per year.

**Incomplete Grades:** Students must complete all course work as scheduled by the teacher or an incomplete will be given. Incompletes must be made up within the time set by the teacher.

Students must register by the 10<sup>th</sup> week of the semester. **Honor Roll Calculations and Letter Grade Values:**

A=4.0, A-=3.66, B+=3.33, B=3.0, B-=2.66, C+=2.33, C=2.0, C-=1.66, D+=1.33, D=1.0, D-=0.66 F=0, I (Incomplete)=0 and P (Pass)=Cumulative grade point average (GPA)

An incomplete has no effect on grades, but the student will not be considered for the honor roll until the make-up work is completed and the grade is calculated and entered. A pass is calculated at the same value as the student's overall grade point average. There will be two honor rolls. The A honor roll requires a minimum grade point average (GPA) of 3.66 and the B honor roll has a minimum GPA of 3.0. Students who have D's, F's, or I's will not be eligible for the honor roll. Student incompletes must be completed within 2 weeks of the end of each quarter.

**GROUPS EXEMPT FROM FEES:** Student organizations, Yearbook, Honor Society, Student Support Personnel (Student Managers), and Student Council.

**Students who participate in Activities/Athletics** must pass a physical examination every 3 years (grades 7 and 10), file the physical with the Activities Director's office, pay all activity fees before practicing and/or playing in a game.

**Student Council** is the connection between the student body and the administration. This council gives the students a voice in building government.

**Minnesota Honor Society (MHS)** is an invitation-only activity. New members are inducted in a formal ceremony in mid-October. MHS members participate in a variety of activities throughout the year including the rent-a-buddy mshsl auction, road ditch clean up, and the Red Cross Blood Drive, among others.

**Speech** is a Minnesota State High School League (MSHSL) extracurricular activity. Students can compete in these categories: serious or humorous interpretation, original or non-original oratory, storytelling, discussion, extemporaneous reading or speaking. MSHSL rules are observed. Students may advance to subsection, section, and state contests.

**Shada** is the school yearbook (annual). Members of the Shada staff are also members of a yearbook class. They begin working before school starts selling ads and continue through May to produce and distribute the yearbook. If you like teamwork, going to school events, photography, and fun - this just may be the class for you! Class members share the work - they are each assigned pages to work on including text and page design with photos. Every year the class is different! This is hands-on learning with computers and cameras. The finished product, our Shada yearbook, is a reflection of your work and will be a legacy for years to come.

**National FFA Organization** is an organization of students who have had or are enrolled in agriculture science classes. The purpose is to further the aims and understanding of agriculture, to provide leadership training, and to provide group recreational activities. Judging contests, public speaking contests, and other activities of a competitive nature are available.

**Knowledge Bowl** is an activity where you can learn new information and facts as well as show what you know in competition. Each meet begins with a written exam that you and your team work together to complete. Four oral rounds follow and your team will either advance or drop based on your performance. Meets are held during the school day, so you can easily participate in Knowledge Bowl and other activities. The junior high season runs from mid-September until December. The senior high season competes from December until March.

**Math Team** gives students who are interested in math the opportunity to compete in various contests throughout the year. Senior high mathletes (grades 9-12) have the opportunity to compete in some or all of the following: Minnesota State High School Mathematics League, Bemidji Math Contest, AMC-10/AMC-12, and Tri-College contests. Students may advance to the state meet in Math League. Junior high mathletes may compete in Minnesota Junior High School Mathematics League, AMC-8, MathCounts, and Tri-College contests. Students may advance to the state meet in MathCounts.

**Instrumental Music** (band) program consists of: Band 7, Band 8, Concert Band, and Wind Ensemble. Jazz Band and Pit Band are available as additional instrumental activities. The bands represent the school during the year at concerts, athletic events and other community affairs. Students play in these groups and many of the individuals play solos or in small ensembles for community activities as well as contests.

**Vocal Music** program consists of grades 7 & 8, the Viking Choir and the Chamber Chorale, which is selected by the instructor. The choirs represent the school during the year at concerts, and other community affairs. Students sing in these groups and many of the individuals sing solos or in small ensembles for community activities as well as contests.

# MSHSL ELIGIBILITY

## Chemical Violations

Pelican Rapids Jr.-Sr. High School is a member of and follows the rules of the MSHSL. Beginning with a student's first participation and continuing throughout the student's participation on any grade level (7-12) team or activity, regardless of the quantity, a student shall not: use or consume, have in possession, buy, sell, or give away alcohol, tobacco, marijuana or any substance defined by law as a drug. This policy is in effect the entire calendar year including summers. It is not a violation for a student to be in possession of a legally defined drug specifically prescribed for the student's own use by her/his doctor. Penalties shall be accumulative beginning with the student's first participation and continuing throughout the student's participation on any grade level (7-12) team or activity.

## Category 1 – Athletic Activities

- After confirmation of the first violation, the student shall lose eligibility for the next two consecutive interscholastic events or two weeks (14 calendar days) of a season in which the student is a participant, whichever is greater. No exception is permitted for a student who becomes a participant in a treatment program.
- After confirmation of the second violation, the student shall lose eligibility for the next six consecutive interscholastic events or three weeks (21 calendar days), whichever is greater, of a season in which the student is a participant. No exception is permitted for a student who becomes a participant in a treatment program.
- After confirmation of the third or subsequent violations, the student shall lose eligibility for the next twelve consecutive interscholastic events or four weeks (28 calendar days), whichever is greater, of a season in which the student is a participant. If after the subsequent violations, the student on her/his own volition becomes a participant in a chemical dependency program or treatment program, the student may be certified for reinstatement in MSHSL activities after a minimum period of six weeks after entering the program. Such certification must be issued by the director or a counselor of a chemical dependency treatment center.

## Category 2 – Arts, Drama, Music and Speech Activities

- After confirmation of the first violation, the student shall lose eligibility for two (2) weeks (14 calendar days) of a season in which the student is a participant. No exception is permitted for a student who becomes a participant in a treatment program.
- After confirmation of the second violation, the student shall lose eligibility for three (3) weeks (21 calendar days) of a season in which the student is a participant. No exception is permitted for a student who becomes a participant in a treatment program.
- After confirmation of the third or subsequent violations, the student shall lose eligibility for the next four (4) weeks (28 calendar days) of a season in which the student is a participant.

## Academic Violations

As a member of the Minnesota State High School League, Pelican Rapids High School is committed to and supportive of the rules as established by the league. Pelican Rapids High School has adopted the rules, in addition to those rules established by the MSHSL to participate in activities.

## Academics

- The student participant must maintain a C- (1.66) grade average on the grading report (mid-quarter/quarter).
- Should the grade average for the quarter fall below a C- (1.66) the student shall be placed on eligibility

probation for the next grading period (mid-quarter/quarter).

- A student placed on probation must obtain a C- (1.66) grade average for the probationary period or will become ineligible thereafter until a C- (1.66) grade average is obtained on a subsequent grading report (mid-quarter/quarter).
- The activity director or principal will attempt to inform students and parents of their status if on probation or not eligible with a letter at the end of each grading term (mid-quarter/quarter). However, the ultimate responsibility for knowing grades and eligibility rests with the student and parent.

### **Policy for students who receive an incomplete**

An incomplete is to be made up within two (2) academic weeks or the student shall be academically ineligible until the incomplete grade is completed.

### **Absences/Attendance Violations**

Students with an absence(s) from any P.M. period(s) due to illness, injury or physical disability will be prohibited from participation and/or involvement in school activities, programs, events, interscholastic athletics, etc., held by the school during the remaining portion of that date unless prior approval is granted by the Principal and/or the Activities Director. Student managers, scorers, etc., shall be considered as team members. P.M. period(s) refers to hours 5, 6, and 7 for grades 7 through 12. For other unnamed activities, the student will abide by the decision of the school administrator and/or the Activity Director.

## **STUDENT SUPPORT RESOURCES**

### **COUNSELORS**

School counselors play an important role in the development of our students. At PRHS, Kelsey Lage works with students, parents, and educators to help the students succeed academically and socially. Counselors provide one-on-one emotional guidance and help students plan for their futures by guiding them in building a career. Mrs. Lage is available to meet with students by appointment in the counseling office, is frequently visible around the school and builds relationships with our students. If you have questions about academic schedules, post secondary options, or other school related matters handled by the counselor please contact School Counselor Lage at 863-5910 ext. 4036

**Chibbs** is a Labrador Retriever who has undergone training to be a certified Therapy Dog through Pet Partners. He works in the Counseling Office with his registered Pet Partners Handler and Licensed School Counselor Kelsey Lage (his owner). Benefits of a therapy dog include:

**Health:** Data suggests physical interaction with a therapy animal may reduce blood pressure, assist with pain management, and stimulate senses.

**Emotional Support:** A school dog improves self-esteem, acceptance from others and lifts mood, often provoking laughter and fun. Dogs can also teach compassion and respect for other living things as well as relieve anxiety.

**Cognitive therapy:** Companionship with a dog stimulates memory, problem-solving, and game playing.

We understand that you may have some concerns such as:

- Allergies or possible allergic reactions to a dog. Chibbs will be subjected to the most thorough cleanliness and grooming regime. He will also only be allowed in situations with students who voluntarily wish to work with him.
- Fear of dogs - some children may have had an upsetting experience and thus have a fear of dogs. Chibb's training helps him to be calm and gentle around children; he shows signs of a very loving and gentle playful nature. Children can learn to overcome their fear of animals and grow in respect and appreciation for them.

There is a form to fill out if you would prefer your student *not* interact with the therapy dog, please contact Mrs. Lage if you need one. Please note your student will never be forced to interact with the dog and students/families who wish to see Mrs. Lage and not her dog will be offered an alternate location to meet.

### **STUDENT SUPPORT SERVICES**

PRHS provides student support services to help meet the needs of all students academically, emotionally, socially and developmentally. In addition to our school counselor, PRHS provides Mental Health services in collaboration with Lutheran Social Services of Fergus Falls, Otter Tail County and PR School District. These services are billable to the Family's health service with their permission. Services are provided by a district mental health practitioner and mental health professional. Students may be self-referred or referred by parents, guardians or staff.

### **VIKING SCHOOL SUCCESS (VSS): After School / Summer Programming**

Students may be referred for after school programming by their teacher for additional help with reading and math, social or other school-related skills.

## **STUDENT DISABILITY NONDISCRIMINATION**

Disabled students are protected from discrimination on the basis of disability under Section 504 of the Rehabilitation Act of 1973. Learners who need special services, accommodations, or programs in order to receive a free and appropriate education may be served under a 504 plan. (School Board Policy 521)

### **Students protected under a 504 plan:**

Have a physical or mental impairment which substantially limits one or more major life activities, including learning; have a record of such impairment; are regarded as having such an impairment. Learners may be eligible for services under a 504 plan, even though they may not qualify for Special Education services. Persons who have questions, comments, or complaints regarding disability issues may contact Kelsey Lage, the district's ADA/504 coordinators at 863-5910.

## **DISCRIMINATION**

As required by the Office of Civil Rights (OCR), all vocational opportunities at Pelican Rapids High School (PRHS) are offered to all students regardless of race, color, national origin, sex or disability. The grievance procedure that allows students an avenue for dealing with discrimination from faculty, fellow students and administrators is present in the student handbook and on the district web site. Vocational opportunities for PRHS students include classes in Ag. Science, Business & Computer Education, Family & Consumer Science and Industrial Tech. Vocational classes are offered in grades 7 and 8 as required exploratory classes in each vocational subject area except Agriculture Science and in grades 9-12 as elective classes in all vocational subject areas. Any PRHS student may enroll in any or all of the vocational classes.

The Title IX coordinator for the Pelican Rapids (PR) School District is the Activities Director (AD) Derrick Nelson. The Section 504 coordinator for the PR School District is the building principals. Contact at Box 642, Pelican Rapids, MN 56572 or phone (218) 863-5910.

### **DISCRIMINATION, HARASSMENT, AND HAZING**

Religious, racial, sexual and gender discrimination, harassment and violence are against the law.

**Harassment** may include the following when related to religion, race, sex, or gender; name-calling, jokes or rumors, graffiti, notes, cartoons, unwelcome touching of a person or clothing, offensive or graphic posters or book covers, or any words that make a person feel uncomfortable, embarrassed, have hurt feelings or make them feel bad. Harassment may also include any and all of the above actions that occur on the internet. A harasser may be a student or an adult.

Persons being harassed need to **report the harassment**. If any words or action make a person feel uncomfortable or fearful, they need to tell a teacher, counselor, the principal or the Human Rights Officer and/or make a written report and give to a teacher, counselor, the principal or the Human Rights Officer.

A person's right to **privacy** will be respected as much as possible. All reports of religious, racial, sexual and gender discrimination, harassment or violence will be taken seriously and appropriate action will be taken.

**The accused person may not retaliate.** The School District will take appropriate action if anyone tries to intimidate a person or take action to harm a person because they have reported. This is a summary of the School District policy against religious, racial, sexual and gender discrimination, harassment, and violence. Complete policies are available in the superintendent's office upon request.

**CONTACT: MR. BRIAN KORF, HUMAN RIGHTS OFFICER, PELICAN RAPIDS SCHOOL DISTRICT PHONE: (218)863-5910**

### **HAZING (School Board Policy 571)**

Hazing means committing an act against a student, or coercing a student into committing an act, that creates a substantial risk of harm to a person or student, in order for the student to be initiated into or affiliated with a student organization, or for any other purpose. Hazing activities of any type are inconsistent with the educational goals of the school district and are prohibited at all times. No student, teacher, administrator, volunteer, contractor or other employee of the school district shall plan, direct, encourage, aid or engage in hazing. Apparent permission or consent by a person being hazed does not lessen the prohibitions contained in this policy. This policy applies to behavior that occurs on or off school property and during and after school hours. A person who engages in an act that violates school policy or law in order to be initiated into or affiliated with a student organization shall be subject to discipline for that act. The school district will act to investigate all complaints of hazing and will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor or other employees of the school district who is found to have violated this policy. The term hazing includes, but is not limited to:

### **REPORTING**

Any person who believes he or she has been the victim of hazing or any person with knowledge or belief of conduct which may constitute hazing shall report the alleged acts immediately to an appropriate school district official (i.e. building principal or Superintendent).

## **SCHOOL DISTRICT ACTION**

Upon receipt of a complaint, the school district shall undertake or authorize an investigation. The school district may take immediate steps, at its discretion, to protect the complainant, reporter, students, or others pending completion of an investigation. Upon completion of the investigation, the school district will take appropriate action. Action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination or discharge.

## **REPRISAL**

The school district will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor or other employee of the school district who retaliates against any person who makes a good faith report of alleged hazing or against any person who testifies, assists, or participates in an investigation or hearing. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment.

## **DISSEMINATION OF POLICY**

This policy shall appear in each school's student handbook and in each school's building and staff handbooks.

# **DIRECTORY INFORMATION**

The School Board has designated the following as directory information relating to a student: the student's name; address; telephone number; electronic mail address; photograph; date and place of birth; major field of study; dates of attendance; grade level; enrollment status; participation in officially recognized activities and sports; weight and height of members of athletic teams; degrees, honors and awards received; the most recent educational agency or institution attended by the student; and other similar information. Directory information also includes the name, address and telephone number of the student's parents. Directory information does not include identifying information on student's religion, race, color, social position or nationality.

- The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. The law applies to all schools that receive federal funds. FERPA requires the school district, within certain exceptions, to obtain written permission prior to disclosure of personally identifiable information from a child's educational records. However, the school may disclose student information without written consent of the parent when the information is designated directory information unless the parent informs the school not to do so in writing. Directory information is used with discretion in publications which would not be intentionally harmful or an invasion of privacy for a student. Examples are a program showing a student's role in a school event, athletic program, the annual yearbook (SHADA) and recognition/photos in newspapers or on websites.
- Directory information can also be disclosed to outside organizations without a parent's consent, in rare cases. Examples are state or federal authorities auditing, evaluating programs or enforcing state laws, release of transcripts to other schools, court order or subpoena.
